admission in four years Integrated Teacher Education Program (ITEP). There will be four sections in NCET exam 2025 that are **Language Proficiency**, **Domain-Specific Subjects**, **General Test**, and **Teaching Aptitude**. The language section in the exam will evaluate the candidates reading comprehension, grammar, and vocabulary while the domain specific subjects will cover topics from different subjects such as **Mathematics**, **Science**, **Social Science**, and **Commerce** based on the NCERT. The general test section will have topics related to logical reasoning, quantitative aptitude, and current affairs. However, the teaching aptitude section will evaluate the pedagogy, classroom

management, and problem-solving skills of an aspirant. Understanding the detailed syllabus will help candidates to make their study plan strategically. Aspirants can download the [NTA NET Syllabus 2025 PDF](#) from below mentioned links to have thorough knowledge about the subject wise topics and exam pattern.
