### INVITATION

It is notified for the information of all concerned that on the eve of observance of **World Environment Day, 2022**, Department of Environmental Science, University of Kashmir, is organizing one day seminar on **"LIVING SUSTAINABLY IN HARMONY WITH NATURE AS THERE IS ONLY ONE EARTH"** on **6<sup>th</sup> June 2022** in the Department of Environmental Science, University of Kashmir. This year, the United Nations Environment Programme (UNEP) named the World Environment Day **"Only One Earth"** with the focus on **"Living Sustainably in Harmony with Nature"**. Year 2022 is a historic milestone for the global environmental community. It marks 50 years since the 1972 United Nations Conference on the Human Environment, widely seen as the first international meeting on the environment as well as formation of UNEP. Only One Earth advocates for transformative environmental change on a global scale. The campaign shines a spotlight on climate action, nature action and pollution action while encouraging everyone, everywhere to live sustainably.

**Research Scholars and P.G. Students of various Universities of the valley** interested to participate in this seminar may submit the titles and briefs of their topics pertaining to the theme to the office of the undersigned by or before 3<sup>rd</sup> June, 2022. Each participant will be given a maximum of 10 minutes for his/her presentation (PowerPoint). The total number of contestants for oral presentation is fixed 25 only and hence desired number of students will be registered on first cum first serve basis. The three best oral presentations will be awarded with trophies besides a certificate of participation will be given to each participant. The participants can register themselves on the following link.
